## CLEP – COLLEGE LEVEL EXAMINATION PROGRAM

CLEP tests allow students the opportunity to receive college credit for what they already know by earning qualifying scores on any one or more of the 35 examinations. Each institution sets its own CLEP policy regarding how much credit it will grant and for what exams. Students interested in taking the CLEP should contact the institution's admissions office to obtain specific information about their policy.

The cost is \$65.00 paid with a credit/debit card online at the time of testing and \$25.00 for administration of the test. The administration fee must be paid prior to testing to hold a place for the student. Students may register by calling the Testing Center 675.3331, Ext. 5123 or Ext. 4748. They should also check the CLEP website for more details at [www.collegeboard.com/clep](http://www.collegeboard.com/clep).
